Give your career a clear advantage!

Classes start May 2014, take advantage now!

We are now offering Certiport Internet and Computing Core (IC3) and CompTIA's A+ certification for FREE for qualifying participants! Learn how you can take these both nationally and internationally recognized computer literacy and technician certifications!

The **Internet and Computing Core Certification (IC3)** provides job-seekers and students with the foundation of knowledge they need to succeed in environments that require the use of computers and the Internet.

CompTIA A+ is the training certification that will give IT professionals the skills to understand the foundations of knowledge that fuel operating systems as well as the professional communication skills needed for rapport with IT clientele.

Our **FREE ORIENTATION SESSIONS** are every Friday at 10 AM at our office 2520 S. Western Avenue in Room 001. Learn more about how you can take these courses and get certified for FREE (a $5000 value). Take advantage now!
