

CELL PHONE RESEARCH FOCUS GROUP

University of Illinois at Chicago

We are conducting focus groups on behalf of the Cell Phone Internet Use project at the University of Illinois at Chicago. If you participate, it would involve coming to a one-time session to talk to us and approximately 10 other Chicago residents about your experiences and attitudes about using your cell phone.

Everything we discuss will be confidential. **The discussion will be audio recorded and will last about one and a half hours, and you will be paid \$40 for your time.** We will be serving light snacks and sodas. The focus group session will be held at the Survey Research Lab at 412 S. Peoria. Your participation in this group is voluntary – that means it is up to you if you want to attend.

Focus groups will be in English or Spanish, and will be held on a Saturday. We will contact you with the exact date.

If interested, send an email to UICFocusGroup@gmail.com with your:
