

MAPSCorps Summer 2014

Dear Friends of MAPSCorps,

We are pleased to announce that we are currently seeking applicants for youth mappers this summer. These summer positions with MAPSCorps are now posted on the After School Matters website—more specific application instructions are below. In total, we are looking to fill 90 positions across five different MAPSCorps partnering sites. If you know any qualified applicants, please feel free to forward this email and encourage them to apply!

WHO can apply for MAPSCorps?

- Applicants must be at least 16 years old and an incoming high school junior, senior, or college freshman
- Preference will be given to local and returning candidates and those interested in science/technology learning

WHAT do MAPSCorps mappers do?

- Mappers are trained by University researchers and college students to walk up and down each block of different South Side neighborhoods, identifying and collecting information about every business, organization, and government entity providing services to the public
- To learn more, read the [ABC7 story on MAPSCorps](#)
