

Please join us for the

Pediatric Sexual Assault/Abuse Community Response Forum

We will be conducting a forum of individuals who respond to Pediatric Sexual Assault and Abuse. Each responder plays a vital role in the response to pediatric sexual violence. The purpose of the forum is to share information about the roles and responsibilities of each responder and to optimize community response to pediatric sexual assault/abuse.

Targeted audience: Healthcare Providers, Law Enforcement, Rape Advocate, Children Advocates

When: February 24, 2017 8:00am-12pm (7:30am registration)

Where: Stein Auditorium
Advocate Children's Hospital
In Conference Center
93rd and Kostner Oak Lawn, IL

RSVP: Kim Souder
Kimberly.souder@advocatehealth.com
708-683-1315
(due by 2/20/17)

Objectives:

1. Explain the history and development of the YWCA Rape Advocacy program as well as the roles and responsibilities
2. Explain the legal rights of adolescents as well as the confidentiality laws in the state of Illinois
3. Describe the appropriate process in making referrals to the Children's Advocacy Center
4. Explain the details of a forensic interview and what to expect the day of the interview
5. Describe the Children's Advocacy Center support services for victims/families
6. Explain the components of best practice sexual abuse/sexual assault care for children and adolescents
7. Discuss appropriate approach to medical care based on age group
8. Explain the role of the Sexual Abuse Nurse Examiner (SANE)
9. Define sexual abuse and why its "normal to be normal" for children examined non-acutely
10. Identify key aspects of the Illinois Sexual Assault Survivors Emergency Treatment Act
11. Discuss how to put the Sexual Assault Survivors Emergency Treatment code into practice
12. Examine the changes in the Sexual Assault Survivors Emergency Treatment Act that went into effect January 1, 2017
13. Describe the new Sexual Assault Incident Procedure Act
14. Define other legislation applicable to a sexual assault patient
