

# EARN WHILE YOU LEARN

A life changing opportunity for young adults

## About Year Up

Year Up prepares young adults for professional careers and success in higher education by providing urban talent with the skills, support, and experience that will empower them to reach their potential.

- **Earn** a stipend of up to \$ 150 a week
- **Learn** in-demand technical and professional skills
- **Succeed** in a corporate internship
- **Belong** to a community with on-going support and guidance
